Those last days.

I will send you

Next week,
at 9 pm.

Give me a break!

I am the
top...

I truly believe that.

Ooh~! That's
just like you!
You're great,
Ozaki-san!

Well,
of
course

Anyway,
I'll only worry
about it if
I'm at home

What happened?
This is for
accounting

Well, sales are
done for the day,
so I'll do a little
overtime and
give you a hand

FALL

DAMN
IT!

I was
curious.

And today I was
so excited to
sleep with him...

I embraced him,
I wanted him.

Even went
to a hotel.

I was curious
And made moves
on him.

And now that
I didn't get it,
I'm alide-
pressed...

I really
like...?

Damn it!

Oh,
my

When you try
to hide that huge
body of yours,
you only make it
look larger...

I'm not
hiding.
Carry on.

Oh.

That reminds me:
you got the con-
tract thanks to
the drinking party
last night.

Congrat-
ulations.

I guess if our
positions were
reversed, jobs
would still be
put first...

What are
you doing?

The smoking
area's over
there.

But I waited
a long time.

I'm
sure -

Eh...

What's this?

Abroad or something

WHAT?!
ABROAD?!

NO!

But

If you go, it'll
be easier for
me better

Only needs
tega...

Why?!
But then
the towers
will just
have Ozaki-
san!

No! We'll go
tomorrow
without Tera-
bunyo-san!

Locks
picked!

Abroad
huh?

Probably
not return
often

Guess I can
interpret
this as
very good

Why aren't
you married?

Hey,
Teahara-
ya-san

But it looks
like you're
having fun,
Gaiki-san

Like you
enjoy
working...

Anyway,
that's how
I see it.

I always
used to
say that my
work was my
lover

But that
love turned to
stone a long
time ago...

Hmm...

Maybe you're
just looking too
high, being too
particular...

I mean, an
office room may
be fine, isn't
it?

And...

Hit doesn't
work...

Anyway,
you just have
to look.

Then...

L

I'll do it for you.
I'll be your lover!

Whatever!
Either way!

This is too
ridiculous.

It's
also
sudden...

I like you!

PAT

Yeah,
yeah.

You're
going to
disappear...

Oh my, what
will not
decision...

It'll be a long
time, but I'll
endure until
you return.

Well...

And he
looked so
down today...

Good
luck,
alright?

To endure
for so long...

Thanks

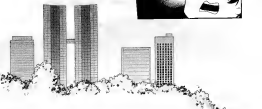

Is it some-
thing I'm
capable of?

...

Tonight?

Actually,
we really
could take
our time.

My

To your
house?

Mm-
reii!

That
sounds
good.

Well, I don't
exactly have
fond mem-
ories of the
hotel—

You have the
day off
tomorrow,
right?

Then tonight
is perfect.

I do,
but...

Eh?

You like it,
do you not,
Ozaki-san?

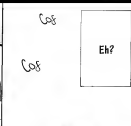

Eh...?

I won't say that.
I like you too.

What...

Why
now...

I really like
cuddles...

And this is
the first
time...

Softly
Darling,
it...

Just how stupid
do you plan to
make me look...?

That's not necessarily true.

For real?

You have to drive everywhere, assistant to the president that you are...

That's good, right? I mean...

Well, I suppose you won't have any time this evening...

Are you busy?

Ozaki, you really have a big appetite, don't you? But at your age, two burgers are not good for you.

I have to go see some clients this afternoon. I'll be tired.

I need stamina!

Alright!

I'll have to
hurry and finish
my work then!

Could be.
